

## Get Hex From Colordialog Box

```
Private Sub GetACol()  
    Dim colordialog1 As New ColorDialog  
    colordialog1.ShowDialog()  
    Dim conv As New ColorConverter  
    Dim c As Color = colordialog1.Color  
    Dim s As String = conv.ConvertToString(c)  
    Dim h As String = Hex(c.ToArgb)  
    ColorBox.Text = h  
End Sub
```
