

## Remove Item From Listbox1

```
If ListBox1.SelectedItem = "" Then
    MsgBox("please select an item")

Else

    If ListBox1.Items.Count > 0 Then
        If MessageBox.Show("R U Sure u want to remove items", "message",
        MessageBoxButtons.OKCancel) = MsgBoxResult.Ok Then
            ListBox1.Items.Remove(ListBox1.SelectedItem.ToString())
        Else
            End If
        End If
    End If
End If
```
