

Insert a Book mark in a richtextbox

'this is not a goto bookmark but a large colored text = BOOK MARK

```
Private Sub InsertBookMarlToolStripMenuItem_Click(sender As Object, e  
As EventArgs) Handles
```

```
    RichTextBox1.SelectionColor = Color.DarkMagenta
```

```
    RichTextBox1.SelectionFont = ChangTo20ToolStripMenuItem.Font
```

```
    RichTextBox1.SelectedText = vbCrLf & "BOOK MARK" & vbCrLf
```

```
End Sub
```
