

Changing Color using Hex code

' Colorbox is a text box

```
Try
    PictureBox1.BackColor = System.Drawing.ColorTranslator.FromHtml("#" &
ColorBox.Text)
Catch ex As Exception
    MsgBox("You must use numbers 1 - 9" & vbCrLf & " And any Letters form A - F " &
vbCrLf & " in a 6 digit format")
End Try
```
