

Is this application already started

' this dose no work after vb6

```
Public Sub CheckSoftware(x As Form)

    Dim SaveTitle$

    If App.PrevInstance Then
        SaveTitle$ = App.Title
        MsgBox "This program is already in the air...."
        App.Title = ""
        x.Caption = ""
        AppActivate SaveTitle$
        SendKeys("%{ENTER}", True)
    End If

End Sub
```

'use as in the first form_load event
Call CheckSoftware(form1)
